

INVASION THREATENS MINING TOWNS

EIGHT HUNDRED MEN READY FOR MARCH ON ELIZABETHTOWN

ROSICLARE ALSO ONE OF OBJECTIVES

It is Said That Reinforcements on the Way
Will Make a Total of More Than One
Thousand Men in the Invading Army—
Residents of Two Towns are Being Armed

(By The Associated Press)
ELIZABETHTOWN, Ill., Sept. 7.—Eight hundred miners from Eldorado and nearby coal fields are encamped within thirty miles of this town tonight, prepared to march on this city and Rosiclare tomorrow, leaders of the men told an Associated Press correspondent who located their camp today.

Reinforcements on the way from the coal fields will bring the invading army to more than 1,000 men, it was said.

Deputy sheriffs and private detectives clashed with the outposts of the miners, who held up two trucks and three men at the Big Thief Ford on the Harrisburg road shortly before 4 o'clock this afternoon. The miners retreated leaving four prisoners and three automobiles in the officers' hands.

The Associated Press correspondent who had circled around the armed bands and approached from the rear, was waiting to be escorted to Eldorado by five armed men when the fight occurred. Four armed men who were in the fight were picked up as they retreated. They said that two of their men had been shot and others were unaccounted for. The deputy sheriffs denied that anyone was hurt.

A score of deputies and detectives met fifteen miners in three cars at the Ford, they said, and fired a few shots in the air as a signal for the men to surrender. Four surrendered and the others abandoned their cars and took to the woods without firing a shot.

Two of the four prisoners are from Harrisburg and one from Kansas City, Mo.

Citizens Being Armed.
All available citizens of Rosiclare and Elizabethtown are being armed tonight to meet the invaders. They had been told they would be attacked if they did not surrender.

The Associated Press correspondent went to Karber's Ridge, 12 miles north of Elizabethtown, following reports that armed men were passing thru there and that the phone wires were cut. The postmaster at Karber's Ridge estimated that five hundred armed men had passed south thru the town last night and today.

All wires leading north as well as south were cut at 10 o'clock today and Karber's Ridge is isolated from the outside world.

Two miles south of the ridge 22 armed miners blocked the road and halted the correspondent's car. They declared they were the rear outpost of 800 men from the coal fields in adjoining counties who were marching on Rosiclare and Elizabethtown. They had been told, they said, that twenty-six men had been killed at Rosiclare by mine guards yesterday, and that women and children were being beaten in the streets by private detectives.

Dickson to Investigate.
SPRINGFIELD, Sept. 7.—Adjutant General Dickson will probably leave for the Rosiclare district late today or early tomorrow. It was said tonight. The investigation will be made under his personal direction. At a conference tomorrow it will be decided who will accompany General Dickson to the troubled area.

George B. Arnold, state director of labor, and Robert M. Madill, director of mine and minerals, who sat in the conference today, are expected to go with General Dickson.

The miners were armed with rifles, shotguns and revolvers. Five of the band entered the correspondent's car and offered to lead the way to the main body supposed to be encamped near the Big Creek Ford on the Harrisburg road in the dense woods, known as the Furnace lands.

Claim Two Are Short.
Two miles from the ford a hatless and breathless miner emerged from the roadside thicket and halted the car. He reported his party had been ambushed on Furnace Hill by 200 deputies, who opened fire without warning. The "buddy" fell as he jumped from the car, the miner declared, and added that an Italian miner in another car was also shot.

SPRINGFIELD, Sept. 7.—Governor Small, upon recommendation by the division of pardons and paroles, today granted commutations of sentence to George Maniatis, Gaston Morrilli and Thomas Kotones, serving sentences at Joliet. All are from Chicago.

In February, 1910, Kotones killed his sweetheart, Victoria Kawalec, and was given a life sentence. The governor's action commutes his sentence to 33 years in order that he may later be paroled. Executive clemency was recommended by the trial judge, Richard S. Tutill and Warden Murphy, as a reward for exemplary conduct during the riots at the Joliet prison in 1917.

Maniatis was sentenced to Joliet after pleading guilty to manslaughter in 1920. While Maniatis was in the army four terms of court passed following his indictment. He was advised by his attorney to plead guilty to manslaughter and appeal to the supreme court. The higher court, however, affirmed the sentence.

Morrilli was one of a band who ambushed a gang of section hands and killed one. He was sentenced to 40 years. Executive clemency in his case was exercised upon the recommendation of the Italian consul at Chicago, who has obtained passports and passage for Morrilli back to Italy with official guarantee that Morrilli would remain in his native land.

MONROE SPECTRE BOBS UP AT THE GENEVA MEETING

Delegates Disinclined
to Talk About Monroe
Doctrine Now

(By The Associated Press)
GENEVA, Sept. 7.—The Monroe Doctrine and the competency of the league of nations in American questions and in cases where one party to a treaty asks intervention to secure revision were the principal subjects of discussions in and out of the assembly of the league today.

The discussions were provoked by the demand of Bolivia that the assembly put on the agenda the proposed revision of the treaty of 1904 between Chile and Bolivia whereby the latter ceded to Chile the province of Tacna and Arica.

The debate began at the morning session of the assembly despite all efforts to keep the subject off the floor by the league leaders who feared that a serious situation might be created by such a debate.

A canvass of the principal delegations shows that a large majority of the assembly is against establishing a precedent that the league may interfere to revise treaties—particularly treaties of peace.

At the same time there is a strong feeling that it is dangerous to the prestige of the league not to be able to consider questions such as raised by Bolivia in which there are features of the case that in the opinion of league members should be considered.

Do Not Welcome Debate.
Besides most of the delegates are disinclined to welcome at this time a debate in which the Monroe Doctrine is involved in a manner which virtually calls for an interpretation of the league's competency in matters supposed to be covered by that doctrine.

August Edwards, representing Chile, argued that Tacna-Arica was purely an American affair and that the Monroe Doctrine applied in no sense to European states nor could the league of nations interfere in such a matter.

Senor Aramayo, for Bolivia, informed The Associated Press that the chancellors of the United States had been consulted regarding Bolivia's application to the league before it was submitted and had decided that mediation by the league was not incompatible with the Monroe Doctrine.

Arthur J. Balfour, of Great Britain, Lloyd Robert Cecil, who represents South Africa, and President Von Karnebeck, failed to keep the debate off the floor; they succeeded only in securing the consent of the Bolivian and Chilean delegations to let the matter rest after the presentation of their cases until the delegates should be able to study the documents. The question will come up again unless Bolivia withdraws its request.

RETURN FROM AUTOMOBILE TRIP
—Mr. and Mrs. L. G. Magill and children, Mrs. Anna Magill and daughters Nellie and Clara, have arrived home after a trip thru northern Illinois and Wisconsin. They drove into Chicago and spent several days there. Then to Milwaukee and West Bend, Wis., where they camped for several days. From there to Fond Du Lac, back thru Milwaukee to East Troy where they visited with H. E. Henry, an old Jacksonville boy who is cashier of one of the banks there. Then to beautiful Lake Geneva, Rockford, Dixon and Sterling, which are on a beautiful hard road, thru Henry, Ill., where they visited relatives of Mrs. Len Magill, then into Peoria and Springfield and home.

SUIT FOR DAMAGES FILED
In the office of the circuit clerk Wednesday Anton K. Bergschneider filed a suit in assumpsit against the Jacksonville Grain & Commission Co. The complainant is represented by William N. Hairgrove. Only the principle has been filed and it indicates that damages are asked in the sum of \$8,000.

TAX REVISION TO BE CONSIDERED BY COMMITTEE

Mellon Will Go Before
Ways and Means
Committee

(By The Associated Press)
WASHINGTON, Sept. 7.—Secretary Mellon's suggestions for tax revision which were abandoned by the house ways and means committee after the intervention of President Harding will come up again tomorrow before the senate finance committee.

Mr. Mellon will be on hand prepared to discuss those suggestions, the estimates are revised after the white house conference on August 9 and the tax bill as passed by the house.

The senate committee completed preliminary consideration of the house measure today but decided to postpone any decision on the various changes made by the house until after the treasury secretary had been heard. Mr. Mellon said today he would have no prepared statement for the committee but the senators will have before them treasury tables showing estimated revenue yields and government expenditures.

Suggestions originally presented to the house committee by Mr. Mellon were built around an estimated tax yield requirement of approximately \$3,700,000,000 net year, or some \$750,000,000 more than provided for in the house bill. They contemplated new sources of revenue such as a one-cent increase in first class postage, a stamp tax of two cents on each bank check and a graduated license tax on automobiles to average ten dollars yearly for each machine and increased levies on cigarettes and smoking and chewing tobacco to yield an additional \$50,000,000 annually.

May Take Four Billions.
The original total tax yield as given by Mr. Mellon is approximately that which some members of the senate committee believe will be necessary next year. Others and particularly the Democrats are of the opinion now that approximately four billions of dollars will have to be raised from internal taxes unless the government is to face a huge deficit at the end of this fiscal year.

It was understood that Senator Smoot, Republican, Utah, informed the committee today that he would present his sales tax plan.

**ROODHOUSE MAN IS
RUN OVER BY AUTO**
Muri Sly Thrown From Own Car
Seriously Injured by Car
Following Him—Is Patient at
Our Savior's Hospital.

Muri Sly, 27, of Roodhouse, a brakeman on the Chicago & Alton railroad is in a serious condition at Our Savior's hospital as the result of injuries received when he was run over by an automobile on the Roodhouse-White Hall road Wednesday evening.

Sly was rushed to this city on a special train Wednesday night where he was attended at the hospital by Dr. F. A. Norris. Examination revealed a fracture of the pelvis and both arms. He also was badly bruised about the body and head. While his condition is regarded as serious unless there are internal injuries he probably will recover.

According to the story of the accident Sly with a companion was driving a Ford roadster on the Roodhouse-White Hall road. It is said that another car driven by a man named Eberhart thought to be a resident of Jacksonville approached Sly's car from behind and signalled for him to give part of the road so he could pass.

Sly started to turn out when the car struck a slippery place in the road, skidded and turned turtle. Sly was thrown clear of the car but directly in the path of the other car which ran over him. His companion was uninjured.

He was given first aid at Roodhouse and then brought here on a special train for the necessary surgical attention.

The last city directory does not give anyone of the name of Eberhart as a resident of this city.

**DRINKING FOUNTAIN
AT SWIFT PLANT**
A recent article appeared in the Journal which told among other things at the county fair, that the public sanitary drinking fountain at the fair grounds was the first to be installed in Jacksonville since the new filtered water, J. P. Meaney, manager of Swift & Co's plant here, had one installed a little over a week ago so they have first honors.

METHODISTS BEGAN ANNUAL CONFERENCE HERE WEDNESDAY

BISHOP NICHOLSON PRESID-
ING OVER 98TH CHURCH
SESSION

More Than 250 Ministers in At-
tendance—Anniversary of Con-
ference Claimants Observed—
Centenary Address Feature of
Evening Program—Four Min-
isters Will be Retired

The 98th annual conference of the Methodist Episcopal church is in session with more than 250 ministers in attendance. The conference opened at 8:30 Wednesday morning, with the sacramental service administered by Bishop Thomas Nicholson, assisted by the district superintendents. The general program was carried out in the morning, afternoon and evening sessions.

Rev. F. B. Madden was again elected secretary of the conference, and named as his assistant Rev. E. G. Sandmeyer. Rev. O. H. Myers was elected statistical secretary, and Rev. H. H. Walmeyer was named as treasurer. In the afternoon reports from four districts were heard and the general roll was called. Four ministers gave formal notice of their wish to retire from active service.

A feature of the evening service was the illustrated Centenary address by Dr. A. J. Wade. Meetings of the cabinet were held in the afternoon and evening at the Woman's college. The rural pastors' association banquet took place at 5:30 o'clock in the afternoon at I. O. O. F. temple.

The sessions of the conference are made memorable by the presence of a number of veteran visiting ministers, the group including Dr. S. H. Whitlock of Peoria, Dr. J. L. B. Ellis of Shelbyville and Rev. A. S. Clark of Manchester.

The reports from the several district superintendents were noteworthy, reflecting healthy conditions in the churches throughout the conference. The report of the ministerial relief and conference claimants fund is before the conference, having been presented by Mr. Hiram Buck Prentice, who has served for 23 years as treasurer of the fund. Also the duties and responsibilities of the treasurer are large. Mr. Prentice draws no salary. There is a certain amount of sentiment for him connected with the fund, since his father, Rev. W. S. Prentice was one of the incorporators of the fund. Also the duties and responsibilities of the treasurer are large. Mr. Prentice draws no salary. There is a certain amount of sentiment for him connected with the fund, since his father, Rev. W. S. Prentice was one of the incorporators of the fund.

The assets in the general fund total \$225,426.08, and in the special fund \$171,302.23, making total assets in the hands of Mr. Prentice of \$396,728.40.

Wednesday Morning
The Wednesday morning session of the M. E. conference was well attended and the program was full of interest. The communion service at which Bishop Nicholson presided was indeed a time long to be remembered by all present. Aged and young partook of the sacred emblems. The singing led by Rev. W. S. Phillips was especially fine. The list of the departed was then read and memorial services were followed with Dr. Smith at one time pastor of Centenary church presiding.

Dr. Smith introduced Dr. F. A. McCarty who spoke most tenderly of the dear departed. He took for his theme the words of Hebrews 11:13 in part, "All these died in faith."

The writer tells us men and women of whom the world was not worthy. They were indeed people of faith and perseverance. We know some of those who have gone before and some were not known to all of us. Some were veterans having belonged to the conference for many years while others joined but a few years ago and were called to their reward in the midst of their work. Two mothers in Israel I recall. Mrs. G. R. E. McElfresh and Mrs. Preston Wood. How grand their lives. They knew the joys and privations of a pioneer minister's wife but not a note of sadness or regret, but instead one of enthusiasm and joy.

Faith has grand results. We are all pilgrims and strangers in the world. Some the Master calls at an early date and some He waits for a long time. Naught but the gospel of Christ could sustain them in their labors and now they tread the streets of gold having entered thru the gates into the city which hath foundations garlanded with all manner of precious stones.

Can they see us here today? If they can they will be happy to know how great things have been accomplished; they labored and we are entering into their labors; and grand and glorious is the heritage they left us; noble the example they set; brave were their lives and how glorious must be their reward.

Bishop Nicholson told of a great (Continued on Page Four.)

DECISION OF JUDGE LANDIS IS MADE KNOWN

Suits Builders But Not
Building Trades
Officials

(By The Associated Press)
CHICAGO, Sept. 7.—Striking the props from under the high cost of building in Chicago and reducing wage scales for many classes of construction workers, Judge Landis today handed down his decision in the building arbitration which has been before him for the past three months.

While the decision was greeted with joyous acclaim by builders and architects who declare it the most momentous ruling of the kind ever published, officials of the building trades whose men were hit by the wage cut refused to comment but at once planned a meeting to protest against certain reductions ordered.

The decision, which broke the building deadlock in Chicago by opening the way for projects valued at 50,000,000 made wage cuts varying from ten to as high as 33 per cent of the old uniform rate of \$1.25 per hour for skilled workers.

Approximately 50,000 workers are affected. Considering the elimination of all restrictions on labor saving machinery and materials save prison made, Judge Landis estimated the saving in actual cost of building would be 20 per cent.

Some Reductions
Reductions from the \$1.25 rate for the important unions were as follows:
Plumbers, 95 cents.
Bricklayers, \$1.10.
Steamfitters, 95 cents.
Electricians, \$1.10.
Cement finishers, 85 cents.
Ornamental Iron Workers, 95 cents.
Slate and tile roofers, \$1.00.

Eight of the forty four building trades ruled upon by Judge Landis will receive less than 85 cents an hour and ten crafts, which are in the laboring class will receive 70 cents. Excavating laborers and composition roofing teamsters will receive less than 70 cents.

May Refuse to Work.
Thomas F. Kearney, president of the Chicago Building Trades Council while admitting that the decision is binding on the crafts which entered into the original agreement to abide by Judge Landis' ruling, declared that he feared the men may individually decline to go to work at the wage set for them.

A meeting to decide in what form the protest will be made is to be held tomorrow by representatives of the various building trades. No definite action will be taken, however, until after a meeting of the council on Friday.

President Kearney said that some of the workers felt that Judge Landis had been in error in making the cuts in certain trades and if the matter is properly brought to his attention some changes may be procured.

Presidents said that the decision would be used as a basis for settling similar difficulties throughout the United States were made by builders who expressed pleasure over the judge's findings.

**R. L. DYE GETS
APPOINTMENT**
While no official announcement has been made it was reported on good authority Wednesday that Richard L. Dye of this city had been appointed Chief Factory Inspector by Governor Small.

The position carries a salary of \$3,000 per year and Mr. Dye's headquarters will be in Chicago. Mr. Dye was an ardent supporter of Governor Small during the primary campaign in 1920 and in the subsequent election. In 1916 he also was a supporter of Col. Frank Smith recently named by Governor Small as head of the Illinois Commerce commission.

WILL TEACH IN CHICAGO
Miss Lula D. Hay who has been in the city for a few days attending to business matters left yesterday for Chicago. Miss Hay is to be a member of the faculty of the Chicago Training school during the coming year. She has held her residence on Mound Avenue and Miss Hay and her mother, Mrs. Marie Hay, will make their home in Chicago in the future.

Daniel Moy has returned from his far western trip much pleased with what he saw and experienced. In Arizona he found plenty of sand and sage brush and some good valleys too and lots of water. He went on to California before returning and saw much of the golden state.

FEELING IN MEXICO THAT GOVERNMENTS WILL GET TOGETHER

Newspapers Assert That a New Basis for Interchange of Ideas Between Mexican and United States Officials is Being Established Supreme Court Decision is Important

(By The Associated Press)
MEXICO CITY, Sept. 7.—Altho an impasse apparently exists between the Mexican and United States governments on the question of recognition of Mexico due to the Mexican government's refusal to sign a treaty of amity and commerce as a prior act, expressions of the belief are general in Mexico City that something is going on behind the scenes in an attempt to break the deadlock but at the same time to place neither nation in the light of receding from its original position.

The local newspapers quoting both American and Mexican sources assert that a new basis for an interchange of ideas between George T. Summerlin, the American charge d'affaires and Senor Pani, the Mexican foreign secretary, is being established altho nothing has been given out in official quarters which would clear up the situation.

Mr. Summerlin, denying announcements in this morning's newspapers that he had received instructions from Secretary of State Hughes to take up the matter of the recognition of Mexico along new lines, told The Associated Press today that so far as he was concerned the question of recognition remained where it had been and that he had made no representations to the Mexican officials here.

Much is being made by political observers of the events of the past ten days—the decision of the supreme court on the constitution as it affects oil and the conference between American oil men and Mexican officials. The supreme court's decision, which is construed here as positively defining Article 27 of the constitution as non-retroactive has not been formally published.

Decision Not in Writing
It is understood that the decision has not as yet been placed in writing, altho the ruling of the court was handed down August 30. The understanding is that the text of the decision will not be given out for another ten days and until that time the legal authorities are withholding their opinions with regard to the exact pronouncements embraced in the decision.

The return to New York of the heads of the five oil companies is expected here to result shortly in the publication of the detailed terms of the agreement between the oil men and the Mexican officials which is construed as containing elements which will lead to a speedy clearing up of the international situation.

Local newspapers persist in expressions of the belief that something more than taxes was talked of during the week of oil conferences and that the heads of the American Oil company will make some definite recommendation to the state department at Washington.

That the conference terminated amicably seemingly is testified to by the payment within the past two days of more than five million pesos in taxes by delinquent oil companies and the immediate resumption of work in the Tampico oil fields. The state department at Washington has a complete copy of the agreement which will be published by Adolfo de la Huerta, secretary of the treasury, probably this week.

ALEXANDER WOMAN'S CLUB MET WEDNESDAY

Mrs. E. E. Mason was hostess to members of the Alexander Woman's club Wednesday afternoon at her home in Alexander. The attendance was large and an interesting program was given. Mrs. Claude Boerup gave a paper on "The Black Hawk War," while "Shabana" was the title of a paper prepared by Mrs. Carpenter and read by Mrs. J. W. Reif. The program was to have included a paper by Mrs. Decker on "Kookuk," but Mrs. Decker was unable to be present. An enjoyable feature of the afternoon was a piano solo by Mrs. Hallie Gray. A social hour and the serving of delightful refreshments followed the program. The next meeting of the club will be at the home of Miss Elizabeth Snyder.

WINCHESTER LODGES HAD PICNIC DINNER

Masonic and Eastern Star Members Had Pleasant Gathering at Monument Park—Other Winchester News.

Winchester, Sept. 7.—Members of the Masonic and Eastern Star orders and their families enjoyed a picnic dinner at 6 o'clock Tuesday evening in Monument park. There was a large attendance of members from the Winchester lodge as well as from lodges in adjoining towns. A sumptuous dinner was served, the merchants furnishing coffee, iced tea, lemonade and ice cream, other members contributing the remainder of the "spread."

Following the dinner came a brief program, the opening number being the song "America." Then short talks were made "for the good of the order" by Worthington Mrs. Sol Hainsfurther, Worshipful Master John E. Coe, Worshipful Master of Exchange, Wald Sappington; Hon. J. M. Riggs, Judge J. A. McKone, Rev. W. R. Johnson, Rev. Carl Corrie, J. M. Stowe, Mrs. D. T. Smith and Mrs. David Hainsfurther. The program closed with the singing of "Illinois." Altogether it was one of the most pleasant events in local lodge history.

Many here were sorry to learn of the death Tuesday morning of Mrs. George Coultas of Murrayville. Mr. Coultas is a brother of Richard Coultas of Winchester and the family has many friends in this vicinity. Among those who will attend the funeral Thursday afternoon will be Richard Coultas and family, Mr. and Mrs. B. M. Coultas, Mrs. C. E. Coultas and daughter Ferry, Charles Cooper and family, Mr. and Mrs. Frank Mason, Albert Ezard and two sisters, Mr. and Mrs. E. J. Markillie, Mr. and Mrs. R. R. Gasen.

Rev. Thomas I. Coultas and wife of New Jersey arrived Tuesday to visit his brother, Richard and other relatives. Mr. Coultas has been in the ministry 51 years and comes to Illinois at this time to attend the conference in Jacksonville.

Mrs. John Priest who underwent an operation several days since in Jacksonville, was able to return home Tuesday. Her many friends are glad to know she is improving.

Richard Coultas, who has been quite ill, at his home near Riggs town, was able to be in Winchester Wednesday.

Miss Anna McLaughlin and Miss Permelia Claywell have been visiting relatives and friends in Jacksonville for the past few days.

Miss Ruth Coultas is assisting in the Higgins book store.

BISHOP McDOWELL LECTURES TONIGHT

Bishop McDowell, who is one of the best known of the Methodist Bishops, will lecture tonight at Centenary church. Admission 50c.

THEIR 60TH ANNIVERSARY

Few persons can show as long a marriage record and life as Mr. and Mrs. Joseph DeSilva who are quietly enjoying the evening of their day at their home on West Lafayette avenue.

Mr. DeSilva was born in the Island of Madeira March 8, 1834, and came to this country when he was nine years old. Sept. 8, 1855 he was married to Miss Theresa Gouville and together they have trodden the path of life in a quiet, unpretentious manner. Before the street was laid out and when rail fences abounded, Mr. DeSilva secured a lot on what is now West Lafayette avenue and built a home and there he has lived ever since.

His son, Joseph, is one of the wealthy and leading citizens of Rock Island while Benjamin is doing well in Houston, Texas. Charles lives at home; John and Louis are dead.

Mr. DeSilva was a hard working man as long as his strength lasted and when the infirmities of age came upon him he laid down his tinner's tools and sought the quiet of his home. His wife is 84 and he is 87 and both will be with their friends for years to come.

Charles Lashmet of Durbin visited the city yesterday.

GET GAS COMPANY COMPLETES PLANS

President Stafford Announces That Properties Have Been Purchased for Storage and Filling Stations.

The Get Gas Service Stations, Inc., has completed the transaction of its property purchasing deals here in the city, according to announcement by President R. R. Stafford. Three different properties have been purchased in the city, one for the purpose of a storage plant and the other two for drive in filling stations. The storage plant will be in charge of Ernest L. Clark and Frank Garland who will manage the enterprise in this city.

The two filling stations will be located on North Main street and South Main street, and are to be placed in charge of local men.

The Get Gas Service station has its central office and storage plants in Springfield, and operates thirty stations. The addition of the plant and two stations here will be a valuable asset to the company, which is growing rapidly.

EVANGELIST LINTON OPENS REVIVAL

The Methodist revival, held in the tent back of the Centenary church last evening, was well attended. The meeting was in charge of Evangelist D. C. Linton. This is the evangelist's third appearance in the city in six months.

He took for his subject, "Is the World Growing Better or Worse?" and sought to prove that conditions are worse than formerly. The altar call was given and six members of the congregation were converted.

The subject for tomorrow's sermon is, "Are There Ten Righteous in Jacksonville." Sunday evening, the evangelist announced, the religious drama, "The Healing Touch," will be presented.

WILL MEET FRIDAY.

The Mounds Women's Country club will hold an all day meeting Friday at the home of Mrs. John Conn. Ladies are requested to bring scissors and thimbles to sew for the Red Cross. This will be the last meeting scheduled for this year's program and a full attendance is desired.

MISSIONS WILL BE THEME OF CONFERENCE

Subjects Will Be of Special Interest to Members of Woman's Foreign Missionary Society.

During the conference, now in session in the city, there are two days that will be of great interest to all women.

On Friday, at 12:30, in the Woman's College gymnasium, there will be served a luncheon, followed by short talks from some of the officers.

In Centenary church, at 2:45 p. m., an interesting meeting will be held, Mrs. Pfizenmeyer, conference president, presiding. Mrs. Hairgrove, of Virden, who is the district president, will lead the devotions. Rev. Decker and Mrs. Beulah Coddington will sing a duet, and the address of the afternoon will be given by Mrs. H. L. Hill, of New York, who comes highly recommended by those who know.

On Saturday, at 2:45 p. m., in Centenary church, Miss Green, who is a speaker of fine ability, will give the address, and following this service, a banquet will be served at Grace church at 5:30.

The after dinner program has been arranged as follows, with Mrs. Fletcher as toastmistress:

Welcome address, Mrs. R. A. Gates.

Solo, Miss June Patterson, Le Roy.

"Interesting Experiences in the Home Land," Mrs. Theodore Kemp.

"Interesting Experiences in the Foreign Field," Miss Green.

Solo, Mrs. Beulah Coddington.

The Coleman Quick-Lite

Coleman Portable Lamps and Lanterns offer most satisfactory lighting devices known. They make a strong white light, easy to read by and brilliantly illuminating.

Coleman Lamps are made with heavy, light metal tanks or founts so that the liquid cannot spill and so that the air pressure will feed the fuel to the burner. At the burner the fuel is converted into vapor and this vapor mixed with air, about 5 parts vapor, 95 parts air, form a gas that is burned in the mantle, giving an extremely strong, bright, white light.

Besides its splendid lighting qualities, the Coleman is a real ornament to a room. No rural home should be without several of these Portable Lamps and Lanterns.

DR. WHITLOCK NESTOR IN METHODISM

Placed on Retired List but Main-
tains Active Connection With
Church Affairs—Aged Minister
Talks in Interesting Way of
His Nephew Brand Whitlock,
Ambassador to Belgium.

One of the veterans at the
Methodist conference is Dr. S. H.
Whitlock, now resident in Peoria.
The present conference is the 53rd
that Dr. Whitlock has attended,
and his record of continuous ser-
vice is almost without parallel.
His first charge was at Nokomis
and he closed his ministerial work
at Danville in 1909.

When Dr. Whitlock was placed
upon the retired list it was follow-
ing a service of 18 years as dis-
trict superintendent. This vet-
eran Methodist minister comes of
a notable family. The father and
mother, residents of a village near
Dayton, Ohio, were among the pi-
oneer Methodists of the state.
There were six sons in the family
and four of them entered the min-
istry.

Rev. A. D. Whitlock, the yung-
est of the group, was the father

DR. S. H. WHITLOCK

of Brand Whitlock, now known to
fame in both the world of litera-
ture and of diplomacy. It was just
as he completed his sixth year as
mayor of Toledo, Ohio, that Brand
Whitlock entered upon the duties
of the ambassadorship to Belgium.

That was a little while before the
war started and Dr. Whitlock
said yesterday that his nephew
had taken the European work ex-
pecting to thus have both the
background and the opportunity
for his literary work. His book,
"The Thirteenth District," was
immensely popular as was true of
other novels that came from his
pen. The most recent book is
"The history of Belgium's part in
the war," written in two volumes.

Because of the theme this book
is of course of entirely different
type from others that have come
from the pen of this prolific and
vivid writer.

Brand Whitlock is now 52 years
of age and it goes without saying
that he lived many years of his
life during the war time. The
conspicuous service that he ren-
dered the people of Belgium and
the United States is a matter of
historical record.

Dr. Whitlock when asked about
his nephew yesterday recalled the
fact that Brand Whitlock was an
employee of the late W. H. Hin-
richsen at that time secretary of
state in Illinois. Mr. Hinrichsen
became acquainted with Whitlock,
who was at that time a reporter
on a Chicago Democratic paper.
It was thru this connection that
Whitlock became a Democrat and
Dr. Whitlock said yesterday that
his nephew is the only one of the
family identified with the Demo-
cratic party.

Altho Dr. Whitlock is now 55
years of age time has dealt very
gently with him, and in voice, face
and figure he appears today as a
much younger man. Altho he is
now attending his 53rd confer-
ence, there are reasons for the ex-
pectation that his brethren of the
church will have him meeting with
them many years to come in these
September conferences, and they
are earnestly hoping that such
will be the case, prizing as they
do both his friendship and counsel.

A Great Food Discovery

From Rameses I to the present time
the whole wheat grain has been the
most perfect food given to man. It
contains in proper proportion all the
elements needed for building and sus-
taining the perfect human body. The
problem has been how to make the
whole wheat grain digestible in the
human stomach. That problem was
solved by the man who invented

Shredded Wheat

In making Shredded Wheat Biscuit the whole wheat
grains are first thoroughly cleaned (no small, broken or
defective grains are used), then boiled in steam. The
softened grains are then drawn into filmy, porous shreds, which
are formed into biscuits (or little loaves) and baked in coal ovens
at a high temperature. This process breaks down the starch cells in
the center of the wheat so the digestive fluids can get at them. The
mineral salts and vitamins (so necessary to normal growth) and the
bran, which is needed to stimulate "bowel exercise," are retained.

Delicious for any meal with milk or cream,
sliced bananas, raisins, prunes or other fruits.

mortal Leader and Commander. Great men and humble have been in the ranks of the Methodist church and all have left an example and history which will ever be blessed.

They obeyed the exhortation of Paul to Timothy to be strong and suffer hardship like a good soldier of the cross. We share with you the joys and triumphs of the great work and we bid you welcome to our city and trust the meetings will be fraught with much good. May the time come when in one band we can work harmoniously as one in the cause of the Redeemer.

Bishop Nicholson said we do not know enough of what each other is doing. A boy was once asked what a deacon was and he said the lowest kind of a person. Methuselah was the founder of the Methodist church. I wish we might be as they are in Canada; first they got all the Methodists together and then they had after the Presbyterians and others to gather them all into one fold. May such a time soon be here.

District Reports.
At the afternoon conference session Wednesday the ministerial roll was called and each responded, giving briefly the facts about the funds collected in his church during the year which has just closed. The reports were presented by four of the district superintendents: Rev. E. S. Coombes, Quincy; Rev. T. N. Ewing, Decatur; Rev. A. K. Burns, Champaign-Danville; Rev. E. L. Fletcher, Jacksonville. The text of Mr. Fletcher's report appears elsewhere in this paper.

Conference Claimants.
At the close of the conference session, Dr. A. J. Wade, secretary of the committee on conservation and advance, spoke very briefly. At 3 o'clock the anniversary of the board of conference claimants and preachers' aid society was observed with Dr. H. C. Gribbs presiding. The address was made by Dr. B. F. Shipp and his theme was "An Equitable Ministerial Pension." At 4 o'clock the evangelistic service was conducted in charge of Rev. E. K. Towle, and the sermon with the theme, "The Good Old Way," was preached by Rev. E. K. Crews.

A Long Time Minister.
One of the oldest ministers in attendance at the conference was Rev. J. L. Ellis of Shelbyville. Mr. Ellis is now past 87 years of age and was a local preacher in the conference for 12 years. Then for 28 years he held membership being placed upon the retired list back in 1901, just 29 years ago. At that time he was serving the Second church at Shelbyville. His first charge was in Clark county, in the northeastern part of the conference. Mr. Ellis is in excellent physical and mental strength. He is being entertained at the home of Mr. and Mrs. Norman Campbell, 333 East College avenue.

CONFERENCE NOTES

Rev. W. S. Clark, of Manchester is one of the oldest ministers in attendance at the conference. He is now 84 years of age and it is recorded that he entered the ministry as a young man and engaged in the service of the church for more than 50 years.

The basement room at Centenary church presents almost as busy a scene as the auditorium above. Many of the delegates spend part of each day there and find many things that interest them in the extensive display of the Methodist Book concern. A map on the west wall of the church is attracting a good deal of attention. It was made by Rev. Fred Reed, of Meredosia, and shows the facts about the various churches of the Quincy district in a very interesting way. The map is so well done that it will probably be used as a model for other districts.

One of the special committees, of which Rev. Chris Galeener is the chairman, met at Grace church yesterday afternoon to consider the case of Rev. D. Haverfield. This minister did not fill the assignment last given him, and the question of the propriety of his action is now to be considered by the committee.

Announcement was made yesterday that the following ministers will seek retirement, their term of service being in accord with the conditions that provide for retirement: Rev. T. B. Wright, Nanticoke; Rev. C. W. Casely, Petersburg; Rev. D. B. Shouse, Greenup; and Rev. C. R. Morrison, Savoy. The requirement is age of 65 years or 40 years of church connection. Mr. Morrison has been connected with the conference for 42 years. Ministers when retired are still under the jurisdiction of district superintendents and can take a certain amount of work. Mr. Morrison may remain at Savoy and continue the work of one of the churches which he is now serving. He was received into the Methodist conference in 1879, and was at that time assigned to the Waverly circuit. During the intervening years he has served a number of important churches and has been accounted as one of the most loyal and useful members of the conference.

Rev. T. I. Coultas, who has been a Methodist minister for over 50 years, is a conference visitor. For a number of years past he has been located in the east.

CAST FOR PAGEANT IS NOW COMPLETE

Affair Will Be Staged Friday Night at Woman's College.

The cast for the pageant, "The Torch Bearer," has been announced and is all completed. The pageant, which is to celebrate the anniversary of the college's 75th year, is to be staged Friday night. The pageant, which has been very artistically arranged with harmonious scenic effects and with the best talent of the city and the huge choruses as a background, the pageant will be the most striking and beautiful ever produced in Jacksonville. The following is a list of the main characters of the group actions.

The main characters of the piece are given with a brief synopsis of the actions of the groups:

Episode 1—Education, Mrs. William Goebel; En-ma-ga-bow, Charles McHatten; chief, James Miller; Gugg-we, Mrs. Beulah Goldington.

Episode 2—Dr. Akers, Dr. F. M. Rule; Brother Johnson, Rev. Raye Ragan; Isaac Scarritt, Glidden Reeve; Samuel Spates, Rev. Sam Graves.

Episode 3—Dr. Peter Gartricht, Rev. J. O. Kirkpatrick; W. D. R. Trotter, Rev. G. T. Wetzel; William Thomas, C. O. Bayha; Matthew Stacy, Fred Hopper; Nicholas Milbourn, Rev. F. E. Bracewell; William Brown, Thomas Hopper; William Rutledge, Thomas Simonds; W. C. Stribling, Rev. Frank Read.

Episode 4—Bishop James, Dr. Woltman; President Jaques, Rev. Tull.

Episode 5—Rev. Charles Adams, George Edmon; Capt. Charles H. Adams, Capt. Wesley James.

Episode 6—Sheriff, Harlan Williamson. Episode 7—Dr. W. H. DeMatto, John J. Reeve; Preceptress, Mrs. Thomas Buckthorpe; Faculty Members, Mrs. Sarah Bowen, Mrs. J. A. Paschall, Mrs. O. S. Buffe.

Episode 8—Dr. Short, Victor Shepard. Episode 9—President Freshman Class, Vera Wardner.

Episode 10—The Past, Cora Cherry; The Future, Irene Merrill; Industry, Mrs. Fred Hope; Finance, Mrs. John Larson; Utility, Josephine Ross; President A. S. McCoy, Rev. Betcher.

Episode 11—May Queen, Mrs. Paul Samuel.

Outside the principals, there will be a number of groups and crowds to swell the number of participants, and add touches of realism to the various episodes. Mr. Pearson will have charge of the chorus which is supposed to consist of acutely students and friends of the college. A group of deputy sheriffs under Harlan Williamson will have charge of the sale of the college. A company of soldiers under Captain Wesley James will give color to the Civil War episode. A group of Illinois college boys in charge of Lindley Williamson, and a squad of cell firemen under John Kastrop, will furnish action in the conflagration scene. A group of college girls of the eighties under Margaret Davidson.

DON'T SQUEEZE BLACK-HEADS—DISSOLVE THEM

Squeezing and pinching out blackheads make the pores large and cause irritation—then, too, after they have become hard you cannot get all of them out. Blackheads are caused by accumulations of dust and dirt and secretions from the skin and one that never fails to get rid of them—a simple way, too—just to dissolve them. Just get from any drug store about two ounces of calomine powder—sprinkle a little on a hot wet sponge—rub over the blackheads briskly for a few seconds—wash off and you'll be surprised to see that every blackhead has disappeared and the skin will be left soft and the pores in their natural condition—anyone troubled with these unsightly blemishes should try this simple method.

son, and a group of modern girls in gymnasium suits under Vera Wardner, will give contrasted pictures of the varying social life in different periods. Then the Dreams and Organizations, in appropriate costumes, the Three Fates, together with The Past and The Future in classic garb, will give a touch of dignity to the closing scenes.

As a hint, nothing could be better than the May Queen and her Fairies in the May Pole dance, to symbolize what has become an annual event in college life. But this May Day is to be spectacular in the extreme. It is supposed to be a celebration of the May Day fete twenty-five years hence, with crowns illuminated with stars, and the Queen's chariot embellished with colored lights. Other effects in the way of illumination are being devised, in keeping with the character of the episode, but nothing is spared to make it a spectacle to be remembered.

MORGAN COUNTY PRODUCTS OVERSEAS

Food Shipped From This County Has Reached Port of Batoum on the Black Sea.

Word was received here recently by the contributors to the Near East Relief Fund, that food products made from Morgan county grain contributed last year by farmers of this county, have reached the Port of Batoum on the Black Sea. The cablegram carrying the news was sent by Charles E. Vickery, general secretary of the relief fund who is inspecting the work of the organization in the famine ridden districts. Here are a few of his observations:

"Children outside our orphanages were dying on the streets of starvation, while we were there in August" reads the cablegram. "The winter will bring indescribable suffering. Every pound of flour, rice, beans, corn, or hominy on the Datchet, Esther Della, or other relief ship means life to some child or helpless exile. 'The people are naturally industrious wherever possible but the continuous warfare, prolonged exile and the occupation of territory by enemy forces until too late to plant crops, have rendered the refugees destitute and helpless. All supplies are kept under continuous control of experienced American Relief workers, and economical effective distribution to starving refugees is assured. Need is practically unlimited.'"

A campaign has been launched among the farmers of the U. S. and Canada to secure five million bushels of grain to carry on the good work. The farmers are asked to contribute one bushel of grain out of every hundred bushels raised. Cash contributions should be sent to The Illinois Headquarters of the Near East Relief Fund, 19 South LaSalle street, Chicago, Illinois.

The second annual picnic of the Woodson band will be held on Thursday, Sept. 15, beginning at 10 a. m. Athletic contests begin at 1 p. m. Plenty of soup, ice cream, sandwiches and pie.

John Ebrey of Rees station came to town yesterday.

Episode 1—Education

Work of Jacksonville District Made Public

The following annual report of Dr. E. L. Fletcher, superintendent of the Jacksonville district, was read before the Illinois conference as the last thing on the program before noon today. The report is complete in every particular and adequately

covers the year's work in this district of the Methodist conference: Bishop Nicholson and Brethren:

The site of this first Methodist service was so near, that it time could be rolled back we would today be within the sound of his voice. This local preacher was Joseph Basy. We were then in the Missouri Conference, and at its session of 1821 John Glanville was sent to the Sangamon Circuit, which included Jacksonville. He organized the first class, probably in the same place where the first sermon was preached, the first sermon was preached, the home of John Jordan, just back of Passavant hospital. For several years this continued as a preaching place. Later the log school house was used by both the Presbyterians and Methodists. When the Illinois Conference was organized in 1824, Jacksonville became a part of the Mississippi circuit. In 1827 the name was changed to Apple Creek Circuit. In 1830 the Jacksonville Circuit was formed, and the first Methodist church was erected. It was of brick and stood about a block north of the place where we now meet. In 1833 Jacksonville became a station first in the state of Illinois, and the pastor assigned was T. J. Starr. Three years later a new church was built a block west of the present location. It was to this church that the committee appointed at the conference held in Paris, Ill., seventy-five years ago, came and organized the Illinois Woman's college and here the first classes of the college met. The most extensive Methodist revival ever held in the city was conducted in this church in 1847-1848 during the pastorate of Rev. J. B. Corrington, there being over 600 conversions. The present church in which we meet, was built in 1867-68, the work having begun under the pastorate of the father of W. S. Phillips. This church has seen many mighty revivals, perhaps the most noted during the pastorate of W. A. Smith. The annual conference has met in this church oftener than any other church in the Illinois conference, having been entertained here on the following dates, 1832, 1837, 1841, 1851, 1871, 1878, 1879 and 1890, making with the present session the tenth time. But all Jacksonville has united in extending to the Illinois Conference a most hearty welcome and we cannot say any one but all the Churches and all the people welcome the Methodist Preacher and the Methodist Layman when they come to this Methodist center for

prayer and conference. This is truly a Methodist city for 124 per cent of the city has its names upon the Methodist church records and if the constituency roll is counted at least 20 per cent are Methodist. On the 4th day of last August we held a great Methodist celebration, in commemoration of the Centennial of Methodism in Morgan County, and over a thousand adults from Jacksonville and the county marched in the parade from Grace church to Passavant hospital where the granite holder marking the site of the first service was unveiled. The remainder of the day being spent at Nichols park where a splendid address was given by Dr. Zaring, editor of the Northwestern Christian advocate.

At the close of Conference a year ago, the Jacksonville district comprised of 47 appointments, but as several charges were united on account of the shortage of ministers, there were really 50 quarterly conferences which the district superintendent had to meet. C. F. Hagner did not go to Chesterfield as appointed and J. C. Ewing was transferred to this work, where he has had a most successful year. Easton was left to be supplied and at the beginning of the second quarter, A. J. Henderson from northwestern Canada was secured and we feel this was a very fortunate and satisfactory arrangement. In the midst of the year the dark shadow fell over the Auburn charge, because the beloved pastor W. M. Carter was taken and not only the parsonage home but the church was left desolate. Brother Carter was one of the most beloved of pastors and his record in the Illinois conference will stand as a monument more enduring than granite. A. L. Wood was secured at once and has cared for the church in a most creditable manner until conference.

This has been a year of more material improvements than for several past years. Immediately after conference last fall the district superintendent was called upon to dedicate and raise the money for the new church at Richwoods. This church was destroyed by fire during last year but the good people rallied and with a little Centenary help built a fine modern rural church. The day of dedication was one of joy and victory and now the church stands free of debt and ready for a program of community service. Repairs and improvements have been made in nearly every charge but the most noted are as follows: Waverly, the debt of \$2,300 paid and \$700 improvements made; Nilwood, a new basement, which will be a great help to the growing church at that place; Asbury on the Brooklyn Jacksonville charge, a new basement; Girard, a general repairing and painting of parsonage; Roodhouse, church redecorated and general repairs made; Fairview, on the Chandlerville charge, church redecorated and general repairs; Salem, on the Curran charge, a new basement and much improvement of the parsonage property; Auburn, church repainted and decorated, parsonage in fine repair. Bluff Springs, new parsonage completed and all the churches repaired and painted; Oakford, church redecorated and painted; Ashland, church decorated and parsonage greatly improved; Centenary Jacksonville, decorated, new floors and many other improvements. The total amount for improvements on the district will be \$15,021.

All through the year we have given special attention to the Centenary and have been very ably assisted by the Area office. Group meetings have been held and nearly every church on the district has been visited by special representatives and the great claims of the world program presented. Any report of the Jacksonville District would be sadly incomplete without a report of Illinois Woman's college, which is located within our borders and sheds inspiration and blessing not only over this district but all of Methodism. The week of prayer was devoted to evangelistic effort and Dr. Keck of Champaign stirred all hearts with his masterful address. It is a great pleasure to note the spiritual atmosphere of this institution. For some time Dr. Harker has conceived the plan of having a director of religious life and activities who should be charged with the responsibility of caring for the development of the religious life of both students and faculty, organizing it wisely, training it into right channels and connecting it with the various activities of the church, both in the local work and in their more extended and world programs. He also planned that this director should be free to attend Sunday school institutes, Young People's Conventions, and in general to connect the college with the church, as well as to foster the individual religious life and possible service of every student. In the fall of 1920, Rev. W. J. Weber of the Oregon Conference was secured to fill this position. During the year a student survey was made, the religious attitudes of the students ascertained and in many instances personal conferences held. A student volunteer movement was organized and special interest was manifested in life service. Nearly half of the students took Bible and Religious education giving the director opportunity for much personal contact. Effort has been made with no small success to get the students placed in religious work among the churches and to inspire them for such work in their homes and for the future. Professor Weber has visited the various conferences, conventions and institutes and has occupied the pulpits of a number of the pastors of the conference. At the Epworth league Institute held in Shelbyville, he was one of the faculty. He is ready to serve any of the pastors this coming year and attend any of the religious

activities of the conference at all times.

All through our ministry we have felt that the chief business of any Christian minister was to win men to God, and when this passion died the glory of the ministry has departed. All the year the revival fires have been kept burning. At Easter time a severe storm prevented many of the pastors from gathering in the harvest expected, but undaunted they continued and followed up the campaign during the succeeding days. Our Gospel tent has been in use all summer, under the management of Mr. D. C. Linton, and the results have been most gratifying. Meetings have been held at Alexander, South Jacksonville, Garner Chapel, Kibbourne, Arenzville, Durbin, Providence and Concord. The conversions reported in these meetings total 467 and if the meeting held in Centenary church should be added we have 602 conversions in the meetings where Mr. Linton has either assisted or conducted the meeting. In the reports sent me by the pastors we have a record of 1035 conversions and 978 accessions to the church this year.

Our ministers have all been active and faithful. Every one seemed to feel the responsibility of the task and have caught the vision of possibility. They report 20,384 pastoral visits, 3441 sermons, and if the miles of travel they have gone in doing this work had been in a continuous line it would have taken them more than three times around the world. As we have seen the vineyard in its highways and byways, viewed it from its valleys and looked upon it from its heights we are impressed with some of the many needs of the Jacksonville District. A great need of the District today is in some way to improve the morale of both Laymen and Pastors. It is so easy to become discouraged during these trying days and not keep pressing earnestly forward. If only the hands of both pastors and laymen might be strengthened. The best means I know of is first an intelligent and careful reading of our Church literature so that we all might know how the battle goes all along the line. We are glad to note a large number of readers of our church papers, but until there is an Advocate in every Methodist home we shall not be satisfied. And here in the home is the seat of our power or the secret of our weakness. If we are to accomplish that for which Methodism was raised up it must begin in the home and about the family altar. This is our greatest concern in the district, that we might deepen and broaden the spiritual home life of our people. It is very evident that Jesus meant his followers to be giants if we consider the task he gave them to carry forward. Paul refers to a Christian as one with a weapon in both hands. This is no place for weaklings and this is no time for indolence or indifference. We submit this report not as complete but as a brief review of some of the work accomplished. May He who fully understands and justly weighs the acts and intents of men be merciful with our mistakes and richly bless the least loving service of every Preacher and Layman in the year that has passed, and then set our faces towards the sunrise of another day of opportunity and service.

FOR DANCE MUSIC

There's No Equal
to the
Gulbransen

Real music—personally played music—new music or old—always on tap for dancing, if you have a Gulbransen Player-Piano. Fast or slow, loud or soft, accented as desired, repeated or changed.

Anyone can play the Gulbransen without effort. Take your turn and chat while you play. It gives everyone the "off" wished for excuse to rest. And playing the Gulbransen is really delightfully restful. On other occasions, when better music invites you to play with feeling and intelligence, the Gulbransen invariably brings compliments to the musician. It is the one player-piano which has been developed to assist true musical interpretation.

CECIL LEITCH HAS THROAT AILMENT
MONTREAL, Sept. 7.—Another European woman athlete, coming to compete in the new world, has been put temporarily out of the running by a throat ailment.
Following the recent defaulting at Forest Hills, N. Y., of Miss Suzanne Lenglen, French tennis star, came the announcement today that Miss Cecil Leitch, British woman golf champion, who is suffering from tonsillitis and has been ordered by her doctor to cancel all her engagements up to the Canadian woman's championship tournament at Ottawa on Sept. 18-24, when she is to meet Miss Alexa Sterling, American star.

CUBS TO TRAIN AT CATALINA
CHICAGO, Sept. 7.—Catalina Island, on the Pacific coast, will be the permanent training camp of the Chicago Nationals, William Veeck, president of the club, announced today. Mr. Veeck said that he and Manager Killifer will go to the Islands after the close of the season for the purpose of building a modern baseball park. The old custom of booking one day games in various parts of California will be abolished and instead the Cubs will stage weekend contests at Los Angeles, which club was recently purchased by William Wrigley, chief stockholder of the Cubs. The practice games are to be played at Catalina during the other days of the week.

CHICAGO LOSERS
CHICAGO, Sept. 7.—Chicago lost its protest of the game in Pittsburgh on August 11, according to word received from John Heydler, president of the league, by William Veeck, president of the Cubs. Both Mr. Veeck and Manager Killifer protested the game, which resulted in a Pittsburgh victory, on the ground that attendants had interfered with Killifer's catching of fouls. The umpire informed Mr. Heydler that the groundkeepers had been instructed by the arbiters to remain on the grounds after the third inning because of the threatening weather conditions.

Following the recent defaulting at Forest Hills, N. Y., of Miss Suzanne Lenglen, French tennis star, came the announcement today that Miss Cecil Leitch, British woman golf champion, who is suffering from tonsillitis and has been ordered by her doctor to cancel all her engagements up to the Canadian woman's championship tournament at Ottawa on Sept. 18-24, when she is to meet Miss Alexa Sterling, American star.

CUBS TO TRAIN AT CATALINA
CHICAGO, Sept. 7.—Catalina Island, on the Pacific coast, will be the permanent training camp of the Chicago Nationals, William Veeck, president of the club, announced today. Mr. Veeck said that he and Manager Killifer will go to the Islands after the close of the season for the purpose of building a modern baseball park. The old custom of booking one day games in various parts of California will be abolished and instead the Cubs will stage weekend contests at Los Angeles, which club was recently purchased by William Wrigley, chief stockholder of the Cubs. The practice games are to be played at Catalina during the other days of the week.

CHICAGO LOSERS
CHICAGO, Sept. 7.—Chicago lost its protest of the game in Pittsburgh on August 11, according to word received from John Heydler, president of the league, by William Veeck, president of the Cubs. Both Mr. Veeck and Manager Killifer protested the game, which resulted in a Pittsburgh victory, on the ground that attendants had interfered with Killifer's catching of fouls. The umpire informed Mr. Heydler that the groundkeepers had been instructed by the arbiters to remain on the grounds after the third inning because of the threatening weather conditions.

PETER DAW WINS CHARTER OAK STAKE
Escotillo, the Only Contender, Wins Second Heat in Fastest Time of Race—Murphy Drives Two Winners.
HARTFORD, Conn., Sept. 7.—Peter Daw, driven by Thomas W. Murphy, this afternoon won the 2:12 division of the "Greater Charter Oak Stake," after three close finishes. Murphy's trotter won the first and third heats, with Escotillo contender in each of the fastest time of the race.
Selka won the 2:09 trot, taking the event in straight heats, with the Bolova and Peter Pater, furnishing plenty of opposition.
Murphy won his second race of the afternoon with Peter Henley, defeating Whiskfast in the three-year-old pace.
The \$10,000 2:04 division of the Greater Charter Oak stake is on tomorrow's program.

CUBS RECALL OUTFIELDER
CHICAGO, Sept. 7.—Barnes Freiberg, center fielder of the Kansas City club of the American association has been recalled by the Chicago Nationals, it was announced today.
Joe Klugman, a second baseman from Springfield, Mo., also has been ordered to report here in September. Two new pitchers will join the club in a few days; Stutz coming from Sioux Falls, N. D., and Kaufman from Winnipeg.

WHITE HALL PLANT RESUMES OPERATIONS
White Hall, Sept. 7.—Labor Day at White Hall was celebrated by the resumption of operations at the drain tile plant of the White Hall Sewer Pipe & Stone-ware Co. with a limited force. When this plant closed down on May 7th last there were upwards of one million pieces of tile in the yards, and now that the assortment is depleted indicates that considerable shipping has been going on. One new kiln has been built, two overhauled, and the eight kilns devoted to burning drain tile are in first class condition. Other improvements of a miscellaneous characters have been carried out.
No one ventured a general cessation of business in honor of Labor Day, because the local business houses have done an excess of closing during the month just closed, and the situation cannot be taken as in the least showing a discreditable attitude toward labor. The postoffice closed at noon, and the railroad offices observed Sunday hours.

CALDWELL IS BACK IN UNIFORM
CLEVELAND, O., Sept. 7.—Ray Caldwell, suspended indefinitely by Manager Toe Speaker, of Cleveland Baseball club, on Monday for breaking training, was back in uniform today.

OBITUARY
Mrs. Hannah Jane Ezard, widow of the late William Ezard, died at the family home in Murrayville early Saturday morning at the age of 82 years, 1 month and 13 days. She was stricken with apoplexy Friday noon and her condition rapidly grew worse until the end came. Mrs. Ezard was born July 22, 1838, on a farm seven miles southeast of Winchester.
The deceased was united in marriage to William Ezard in 1857. To this union were born seven children, John, Henry, Elizabeth, Sallie, James, Charles and George. The family home was maintained on a farm in Scott county until 1869, when the family moved to a farm in Morgan county, four miles west of Woodson. Fourteen years later they moved to a farm one mile south of Woodson.
Later Mr. Ezard retired from farming and the family home was changed to Murrayville. Mr. Ezard's death occurred nine years ago, and since his death, Miss Hannah Atkinson has been a faithful companion to Mrs. Ezard.
Mrs. Ezard is survived by two daughters, Mrs. Jess Butler, Woodson, and Mrs. T. N. Bush, Jacksonville, Ill. She also leaves the following brothers and sisters: John Cogwell, Jacksonville, Ill.; A. C. Cogwell, Manchester; Mrs. Will Pogue, Roodhouse, Ill.; Mrs. Lida Davis, Denver, Colo., and Mrs. Mary Ann McGlofin of Iowa. She also leaves 11 grandchildren and numerous other relatives and friends who will miss her.

CECIL LEITCH HAS THROAT AILMENT
MONTREAL, Sept. 7.—Another European woman athlete, coming to compete in the new world, has been put temporarily out of the running by a throat ailment.
Following the recent defaulting at Forest Hills, N. Y., of Miss Suzanne Lenglen, French tennis star, came the announcement today that Miss Cecil Leitch, British woman golf champion, who is suffering from tonsillitis and has been ordered by her doctor to cancel all her engagements up to the Canadian woman's championship tournament at Ottawa on Sept. 18-24, when she is to meet Miss Alexa Sterling, American star.

Daily Market Report

WHEAT FUTURES

MAKE ADVANCE

By Associated Press.

CHICAGO, Sept. 7.—Wheat
futures advanced to a new high
on the present upturn and a new
top on the crop for the May con-
tract on the board of trade here today.

The trade was active with more
outside interest and at the high
point prices were up as much as
1 1/2¢ over the early low with heavy
buying by commission houses and
the local element on the way up
with stop orders uncovered. May
led the advance. The purchase of
around 1,500,000 bushels of Aus-
tralian wheat by India and es-
timates that the Australian crop
would be around 300,000,000
bushels or more short of last
year's crop, were the main bullish
influences. The easier tone in
cash premiums here and in the
east with a slow export demand
were ignored by the trade. Final
wheat figures were 2 1/2 to 4 1/2
higher, while corn ruled 1 1/2 to 1 3/4
up and oats 1/2 to 1 1/2 higher.

Corn advanced 1 1/2 to 1 3/4 from
the early low but did not main-
tain all of the advance. The tone
was showing early but the mar-
ket turned very strong later in
sympathy with wheat. Trading
was not large and mainly of a
local character. Oats followed
other grains declining early only
to advance later. The south was
credited with being a good buyer
at the advance in cotton
buying a factor.

Provisions averaged lower the
feature being the buying of Janu-
ary and March lard by houses
with eastern connections pre-
sumably hedging against sales of
cottonseed oil.

VIGOROUS DRIVE

AGAINST THE SHORTS

By Associated Press.

NEW YORK, Sept. 7.—Trad-
ing in the stock market today
was characterized by another
vigorous drive against the shorts
who again covered urgently as
the buying movement attained
broader dimensions.

Most of the day's happenings
were distinctly helpful to the
constructive side embracing such
factors as easier call and time
money rates, stronger indications
of industrial revival and a sharp
recovery in the leading foreign
exchanges.

The latter development was
described mainly to heavy buying
of cotton hills by British and
French interests, this coinciding
with another furious upturn in
cotton options here and abroad.

Old line investment rails were
among the strongest issues of the
broad and strong bond market.
convertibles also making addi-
tional gains. Leading interna-
tionals were variably higher and
the liberty group, almost without
exception, showed gains on the
day. Sales par value) \$12,500-
000.

OFFICIALS SEIZE
BIG WHISKEY STILL

Get 250 Gallons of Mash and All
Material for Building Large
Still—Three Men Are Held at
County Jail.

Morgan county officials raided
a corn field early yesterday morn-
ing and found a huge tank of corn
mash containing at least 250 gal-
lons. The still was found in a
large corn field about nine miles
north of Jacksonville. The entire
apparatus for the distillation of
white mule was the most complete
ever brought to the attention of
the county officials.

Three Tennesseans, who had
been loafing around the neigh-
borhood for some time, were
arrested as suspects. They gave
their names as, H. B. Harell, Max
Spires and W. D. Taylor. The tip
leading to the arrest of the three
Tennesseans and of the discovery
of the still came Tuesday, when
word was received by the county
officials that these men were mak-
ing liquor.

The county sheriff, W. H.
Weatherford, made a quiet trip to
the corn field Tuesday with sev-
eral deputies and inspected the
big still. They then returned and
secured warrants to gain admi-
ttance to the house where the three
men were staying. At sunrise the
sheriff and his party raided the
house and found the men in bed.
They did not resist arrest and
were brought to Jacksonville and
placed in county jail. The house
was searched and found to con-
tain just about everything neces-
sary to manufacture intoxicating
liquor.

The tank full of mash was em-
ptied into the field where it was
found and State's Attorney Robin-
son is filing information against
the three men.

WITH THE SICK

Miss Jessie Harding was con-
fined to her home on South East
street yesterday by illness.
Mrs. George Edman of 708
West North street submitted to
an operation at Passavant hospi-
tal Wednesday and her condition
was reported satisfactory Wed-
nesday.

ENTERTAINED RELATIVES.

Miss Ida Lane entertained a
number of relatives recently at
her home near the city. At noon
a bountiful dinner was served and
later came several hours spent in
a very pleasant way. The com-
pany included Rev. Arthur Long,
Archibald, Kans., Bert Long and
family of east of the city. Ross
Long and family of Markham,
Mrs. Clark Long and son, Elmer,
of Arenville.

ACCEPTS HONORARY
PRESIDENCY OF
PRESS CONGRESS

Representative of His Paper
Will Preside in His
Name

NEW YORK, Sept. 7.—Presi-
dent Harding has accepted the
honorary presidency of the Press
Congress of the World to be held
in Honolulu next month. This an-
nouncement was made tonight by
Dr. Virgilio Rodriguez Bebetas,
vice president of the executive
committee of the congress. He
added that a representative of the
Marion Star, Mr. Harding's paper,
would preside in his name at sev-
eral sessions.

Questions coming up for discus-
sion included:

"What training is necessary for
journalism?"

"To what extent is freedom of
the press desirable, what are its
rational limits and what are the
best measures to preserve its
freedom?"

"What are the most efficient
ways to obtain a better exchange
of news between nations?"

"Are journalists subject to ob-
ligations of an international char-
acter?"

"Exchange of journalists among
nations."

An effort will be made to en-
list co-operation of Hispanic-
American countries to improve in-
terchange of news and cable and
telegraph service.

FRANKLIN RESIDENTS
ATTEND COUNTY FAIR

Among Franklin residents who
visited the Morgan county fair
Wednesday were Mr. and Mrs.
W. N. Luttrell, Mrs. C. I. Glenn,
Mr. and Mrs. Newton Wood, Mr.
and Mrs. W. E. Eador, Mr. and
Mrs. C. E. Cussins, Mrs. J. E.
Sinclair, Miss Maude Wyatt, Mrs.
Harlin Roberts, Mr. and Mrs.
George Brown, Mrs. Miller Kep-
linger.

Mr. and Mrs. S. F. Patterson,
of Peoria, who are visiting friends
in the Franklin vicinity, were also
fair visitors Wednesday. They
formerly resided in Franklin and
find many old-time friends to wel-
come them back.

RETURN FROM NEW YORK.

Mr. and Mrs. C. W. Taylor
are again at their home, 920
Grove street, in this city, after a
stay of several months in New
York. Most of the time was spent
near Canandaigua Lake and Mr.
and Mrs. Taylor found the trip
one of the most pleasant they
have taken. They drove thru in
the morning and no trouble what-
ever either going or returning.

Henry Hamilton and family
came up to the city from Chapin
yesterday.

A. L. Lukeman of Franklin
was a visitor in town yesterday.

MISS CATHARINE CARTER
IS SEPTEMBER BRIDE

Well Known Jacksonville Young
Woman Weds Mr. Edgar
Decker of St. Louis—Imposing
Wedding Ceremony in Flower
Garden of Carter Home.

Simplicity and beauty marked
the marriage ceremony which
united Miss Catharine DeMotte
Carter of this city and Mr. Edgar
Arthur Decker of St. Louis. The
marriage rites were said Wednes-
day evening at seven-thirty in the
attractive flower garden of the
Carter home on Lincoln avenue.
Dr. R. O. Post read the very im-
pressive ring service which united
these popular young people, be-
fore an assemblage of over one
hundred guests.

Just before the ceremony Mrs.
Helen Brown Read sang the
beautiful Bridal Chorus from
Lohengrin, accompanied by Mr.
Edmund Munger. Then to the
strains of the Lohengrin Wedding
Music, played by Mr. Munger,
with a violin obligato by Mr.
Kritich, the bridal party approach-
ed the garden spot where the
ceremony was performed.

The bride was attended by her
sister, Miss Alice Carter, as the
maid of honor and Mrs. Edward
Marsh Tomlinson was the matron
of honor. Mr. Robert Miller, of
East St. Louis, was best man,
and Messrs. Roger Carter and
Edward Tomlinson were the
groomsmen.

The bride's dress was of ivory
satin with panels and slightly
draped bodice over ivory lace and
with narrow train. The tulle veil
was made with tulle bandeau
with orange blossoms and the
offly ornament worn was a filagree
brooch, the gift of the groom.
The shower bouquet was of
bride's roses.

Mrs. Tomlinson as matron of
honor wore her wedding dress of
ivory satin with train and car-
ried pink roses. Miss Alice Car-
ter, maid of honor, wore a gown
of aqua marine organza, with
arrangement of pink ribbon and rose-
buds. Miss Carter also carried
pink roses.

The bride approached the
foliaged altar with her father,
Truman P. Carter. There the
members of the wedding party
stood while the vows were
spoken. Nothing was lacking to
make this a picture of radiant
beauty for youth, and flowers and
soft lighting gave a charm that is
unrivalled.

After the ceremony a delightful
house reception was given and
the bridal couple received the
hearty congratulations of their
many friends. Refreshments
were served in the dining room
of the home where a profusion of
garden flowers, ferns and cut
flowers, gave a charming effect.

Mr. and Mrs. Decker left last
evening for an extended wedding
trip and will be at home after
October 15th, in St. Louis, where
an apartment awaits them.

The bride is the elder daughter
of Mr. and Mrs. T. P. Carter of
Lincoln avenue, and belongs to
one of Jacksonville's oldest fam-
ilies. After graduating from the
high school she attended Illinois
college finishing with the class of
20. She was a member of Sigma
Phi Epsilon society and was
keenly interested in all the affairs
of college life. Mrs. Decker is a
member of the Pilgrim Memorial
congregational church and has
been useful in various lines of
work there. This September
bride is versatile indeed and en-
dowments of beauty and intellect
have not robbed her of that
sweetness of spirit which is the
greatest of gifts.

Mr. Decker is the son of Mrs.
John M. Decker of St. Louis and
during his student days at Illi-
nois college made many Jack-
sonville friends. His war record
is two years with the marines,
with twelve months of the time
spent in active service overseas.
His decoration, which he never
mentions, tells of gun shot
wounds and a citation for bravery
while under fire.

Mr. Decker is now a student at
Washington University in St.
Louis in preparation for his
profession as a chemical engi-
neer. Mr. Decker's strength of
character and his genial person-
ality made for his popularity while
resident here.

Many handsome gifts attested
the esteem in which these young
people are held.

Assisting during the reception
were: Mrs. W. F. Brown, Mrs. R.
A. Gates, Miss DeMotte, Mrs.
Andrew Russell, Mrs. W. T. Wil-
son, Mrs. George S. Rogerson,
Mrs. George L. Merrill, Mrs.
Vorce Bassett, Mrs. John L. John-
son, Mrs. R. W. Woolston, Mrs.
H. C. Woltman, Mrs. James Weir
Elliot, Mrs. W. B. Young, Mrs.
C. H. Scott, Miss Carrie Dunlap,
Miss Helen Carter.

In the dining room: Misses
Mary Janet Capps, Caroline
Doane, Catherine Wilson, Eliza-
beth Johnson, Lavina Scott and
Elizabeth Scott served.

Among the out-of-town guests
were: Mrs. J. N. Decker, mother
of the groom; of Flint, Mich.;
Mr. and Mrs. Harry Nottebohm of St.
Louis; Mr. and Mrs. Will Keefe,
Des Moines, Iowa; Mrs. A. R.
Archibald, Oskaloosa, Ia.; Miss
Alta Dawson, Decatur, Ill.; Dr.
Ruth Fairbank, Baltimore, Md.;
Robert Miller, Clyde Hardy, Ray-
mond Armstrong, East St. Louis,
Ill.; Miss Genevra Thomas, Pitts-
field.

Social Events

Gives Dinner for
Miss Obermeyer

Mrs. E. M. Henderson was the
hostess at a most delightful din-
ner party given at her home on
East College avenue last evening
in honor of Miss Dean Obermeyer
who has been visiting friends in
Jacksonville for the past few days.
Covers were laid for ten guests
and after serving of a most deli-
cious menu the evening was spent
in dancing. Miss Obermeyer who
formerly made her home in this
city left last evening for Chicago
where she is connected with the
Bush Conservatory of Music.

Entertains Liberty Club

Mrs. Asa Robinson entertained
the members of the Liberty club
yesterday afternoon at her home
in North Main street. This was
the regular meeting and after a
business session the members en-
joyed a pleasant social hour, dur-
ing which dainty refreshments
were passed by the hostess. Al-
most all of the fifteen club mem-
bers were present at the meeting.

Mrs. H. A. Breeden Entertains

Virginia Friends
The assembly evening Mr. and Mrs.
H. A. Breeden were entertainers
of a number of former friends
and neighbors from Virginia. A
fine supper was enjoyed and
then the evening was spent in
various ways suitable to the full
enjoyment of the occasion which
was a fine one. Those present
were: Mr. and Mrs. C. C. Savage,
Mr. and Mrs. Henry Conover, Mr.
and Mrs. Fred Savage, Mr. and
Mrs. I. S. Yagle and Mr. and
Mrs. I. Sinclair.

BIG INTEREST SHOWN
IN BREEDERS' FAIR

Events for Final Day Outlined—
Parade of Prize Winners at 2:
O'clock—Premiums Announced.

The third day of the Morgan
County Breeders' fair will open
this morning at 9 o'clock. The
judging will begin with Spotted
Polands and continue with draft
horses. At 10 o'clock the pig club
sale will be held.

Then at 1 o'clock light harness
and saddle horses will be shown,
and the grand parade of prize win-
ners is scheduled for 2:30. The
officers of the fair were mightily
pleased with the showing of the
second day. The grounds were
crowded both morning and after-
noon and the hundreds of people
present from all parts of the coun-
ty were not slow in expressing
their approval. Every display tent
was thronged and there were no
vacant seats about the big show
arena. President L. A. Reed for
the association said that the man-
agement was finding both the at-
tendance and the interest greater
than anticipated.

Three more wild horses were
brought from the country for Wil-
liam Newell, the horse breaker,
and his exhibition of control was
just as marvelous as on the pre-
vious day. So great is the interest
in the Newell exhibition that he
was secured about the big show
arena. President L. A. Reed for
the association said that the man-
agement was finding both the at-
tendance and the interest greater
than anticipated.

The Waverly band furnished a
fine musical program thruout the
day and the Woodson band will be
on duty today.

Charles S. Black, superintendent
of grounds, and his assistants
had all ground arrangements so
well in hand that notwithstanding
the big crowd there was no confu-
sion or congestion of automobiles.
The management announced
that arrangements had been made
for holding the C. P. & St. L. train
this afternoon. It will leave for
the north at 6 o'clock instead of
3:20. This will give people from
Liberberry, Virginia and other
points north an opportunity to
spend the entire afternoon at the
fair.

In conjunction with the fair
program yesterday the Morgan
County Berkshire association was
formed. The officers are:

President—W. H. Crum, Liber-
berry.

Secretary-treasurer—Charles
H. Nickel, Arenville.

Director—Otto Nickel, Concord.
Preparations have been made
for another big crowd today and
the interest already shown makes
it practically certain that even the
big attendance record of Wednes-
day will be broken.

The second annual picnic
of the Woodson band will be
held on Thursday, Sept. 15,
beginning at 10 a. m. Ath-
letic contests begin at 1 p. m.
Plenty of soup, ice cream,
sandwiches and pie.

WILLIAM PRESTON PHILLIPS
TO SING HERE TONIGHT

Music lovers in Jacksonville
will be interested in the fact that
Mr. William Preston Phillips, of
Chicago, will sing two numbers
preceding Bishop McDowell's lec-
ture at Centenary church tonight.
Mr. Phillips is a native of Jack-
sonville and was graduated from
Illinois College. He received his
early musical education at the
Illinois Woman's College, where
he later taught. He studied ex-
tensively in Chicago, New York,
London and Paris. This year Mr.
Phillips has won two coveted hon-
ors. He is to be soloist at the
festival of the National Associa-
tion of Musicians at Buffalo, N.
Y., October 3, and Messiah solo-
ist with the Chicago Symphony
Orchestra and Apollo Club at Or-
chestra Hall December 25.

Mrs. Marion B. Tanner has ar-
rived in Jacksonville from New
York City and is the guest of her
daughter, Miss Annie Tanner. Mrs.
Tanner's many Jacksonville
friends will be very much pleased
to know that she will be here for
several weeks.

THE RURAL CHURCH
A CONFERENCE THEME

Dr. Havighurst Led In Discussion
Wednesday Night—Centenary
Address By Dr. Wade Heard
With Marked Interest.

At the M. E. Conference even-
ing session Rev. J. H. Singleton
was the chairman. "Rural In-
terests" was the theme of Dr. F.
A. Havighurst. Then the Cen-
tenary address, illustrated with
stereopticon was delivered by Dr.
R. J. Wade.

Dr. Havighurst began his ad-
dress with a general statement
covering the existing conditions
in the country and of how the
country is being constantly drain-
ed of its best young people be-
cause the rural communities are
not advanced enough to hold
them. This condition is being
overcome by the building up of
the rural communities. They
are being made attractive and to
appear worthy of work and en-
deavor and this is what will hold
the best young people in their
communities altho some are
bound to go.

The study of the soils was ad-
vised by the speaker as it is being
carried on in all farming districts
of progressive character. The
rural communities of the corn
belt have agriculture as their
basis, consequently in order to
improve the community it is nec-
essary to thoroly understand the
foundation of that community,
the reason for it. Better soil
conditions mean better general
conditions and real progress and
that is what youth demands.

"The Home Service association,"
said the speaker, "is for the ex-
press purpose of helping these
rural communities to become
progressive. The association
starts in the home first as the
basis of all community life and
does all that is humanly possible
to regulate conditions so that
progress will result."

When Dr. Wade opened his ad-
dress the assembly was requested
to sing "America, the Beautiful."
With the accompaniment played
on the pipe organ, all the lights
cut and with beautiful flashes of
American scenery flashed on the
screen illustrating each line, the
singing was very impressive and
highly inspirational. The as-
sembly entered with a will into
the spirit of the song and frequent
bursts of applause for some spe-
cial sentiment interrupted for a
few minutes at a time.

"The church can never again
go back into the old basis of giv-
ing," said Dr. Wade, correspond-
ing secretary, committee on Con-
servatism and Advance. "To try it
will be fatal. The new vision and
the revelation of new needs chal-
lenged us to do the thing which
ought to be done, irrespective of
what may have been said when
vision was shorter than it is now
and when opportunities and needs
were not so well revealed.

"We must begin now to plan
for:

Aims Outlined.

"(a) An adequate survey and a
plan and estimate of the prospec-
tive work of the church over a
ten year period.

"(b) A continuous evangelistic
program as broad as the program
of Jesus.

"(c) A greater co-operation
with other denominations, that
we may divide tasks, avoid wastes
and duplications. Our aim must
be, not sectarian propaganda so
much as the Christianization of
the whole social order, by the best
and wisest available means.

"(d) The unification and sim-
plification of our machinery. The
highest efficiency at the lowest
cost is the demand of the hour.

"(e) We must have faith in
ourselves and in our ability to do
and to give, and we must be will-
ing to bring the methods of work
of the modern church up on a
scale commensurate with the
progress and development of
modern business methods.

"Depression is giving way to
optimism, an era of criticism
and misunderstanding to an era
of faith and achievement. Eight
Boards are receiving their full ap-
portionments; ten Boards must
soon so receive. We are now op-
erating on a standard far beyond
the standard far in advance of
even today's promising gains.
Methodist money is flowing by
addition millions, not only into
the apportioned channels, but in-
to hospitals, orphanages, col-
leges, universities and all our
great world enterprise. It is a
day of rejoicing, not gloom; of
victory, not defeat; of advance,
not retreat. Let it all be: not
criticize. We are workers together
with God in the stupendous task
of rebuilding the world."
